

The Lafayette Inn
Pet Rules and Regulations

The Lafayette Inn staff would like to welcome you and your pet to our Inn. We have prepared the following rules and regulations to help us maintain the quality of our facility and to help us insure the pleasure of all of our guests.

1. You will be required to leave an open charge to cover claims, liabilities, damages, losses, costs and expenses incurred by The Lafayette Inn in connection with your pet, including, but not limited to, expenses, losses, etc. due to flea infestation. If there are no violations of these rules and regulations and no damage, your charge will be voided following check out. **This is in addition to the daily \$40 charge.**
2. Pets are allowed in designated rooms only. No more than (1) pet will be permitted per room unless otherwise agreed by The Lafayette Inn.
3. The Lafayette Inn personnel may enter your room when not occupied (all damages or violations must be dealt with immediately).
4. You are responsible for any and all damage to your guest room that is not reported at the time of arrival. In addition, you are responsible for the costs of fumigation to the extent there is flea infestation in your guest room.
5. You are responsible for properly disposing of your pet's waste. Waste bags are provided and there is a brown waste bin located in the West lawn. City ordinance states that you must clean up after your pet.
6. Your pet must be carried or kept on a leash at all times when on The Lafayette Inn premises. Pets may not be left in the guest room unattended except while you are having breakfast.
7. Your pet will not be permitted to cause a disturbance of any kind (e.g. no barking, growling, howling, menacing, etc.). You are strictly responsible for your pet including all aspects of your pet's behavior. By signing below you agree to indemnify and hold harmless The Lafayette Inn and its owner from and against any and all claims, liabilities, damages, losses, costs, and expenses (including legal fees) related to, or arising out of, or in connection with your pet being on the premises.
8. Bathing of pets in the guest room or elsewhere on the premises is strictly forbidden.

Each guest room will be inspected following checkout. If you wish to have this process completed prior to checkout, please contact the front desk personnel by 6:00 PM the night before checkout to schedule an inspection on the morning of your departure. If there is any damage noted in your room, you will be charged the cost of repairing said damages.

Please sign below to acknowledge that you have read, understand, and agree to the above rules and regulations, and that you understand that a failure to abide by these rules will result in your being asked to leave The Lafayette Inn and/or monetary expenses being posted to your account.
